

Get in the spirit of the season!

Family Crafting Social and *Wee One Shoppe*

Sunday, December 10th
9:30 am - 12:30 pm

Join us for a warm Acorn Hill morning of socializing, crafting, and shopping!

A special event for children ages 3 to 8. Secret Shopper opportunity for kids! Parents, your children will be able to go through the Wee One Shoppe set up especially for them. With alumni volunteers helping them (no parents allowed!), your kids will be able to buy small gifts for family members, specifically purchased or made and priced starting at just \$1. Children will have fun wrapping and tagging their gifts as well. What a sweet surprise for you to enjoy something they selected all on their own! While the children pick out something special, enjoy the crafting social and bake ale or do some holiday shopping yourself at the Little Shop and New-to-You Jewelry Sale.

Acorn Hill Handwork Fairies will help you make your own holiday gifts! Purchase adult and child handcraft kits and have fun completing them during the social with help from faculty and volunteers. Completed handwork projects will also be on sale. Grandparents and friends welcome! Mark your calendars!

Holiday gifts at the Little Shop! Complete or start your holiday gift shopping at the Little Shop. Specialty gifts of handmade items as well as the ever useful Stockmar crayons and beeswax for sale!
