

Parent-Child Sun & Fun 2017

Summer Program for Young Children & Parents

June 19 – June 30
2 Weeks, Monday – Friday

9:15am – 12:30pm
\$525

The **Parent-Child Sun & Fun** program provides a magical escape from our busy, scheduled lives. We are pleased to offer a gentle and playful summer program for both parent and younger child not yet ready for an independent experience. Play is the centerpiece of our morning – free, creative and unstructured, indoors and outdoors – the true work, joy and developmental training ground of young children.

Outdoors, children and parents will experience the beauty of our wooded playground, atop a hill adjacent to Sligo Creek Park. Indoors, our teachers will provide a rhythm of activities designed to bring balance to the children's day, and a wealth of natural materials to give wings to their imagination. Our two weeks will include lively stories and puppetry, singing, circle games, crafts, painting, gardening, and baking or cooking. Purposeful work will be the focus of the parent. A handwork project will also be completed by the end of the two week session.

Lunch from 11:30am-12:30pm will provide a time for parents to discuss handouts and articles pertaining to Waldorf education and topics regarding the development of young children. Please bring a packed lunch from home for you and your child. This class will be a wonderful welcome to new families and a welcome-back to families we already know. **Please join us this summer!**

The Parent-Child Summer Program is taught by Leslie Woolverton, our lead 3 Day Nursery and Parent-Child teacher. It is for children between the ages of 2 and 3-1/2. Toilet training is not required. Places are filled on a first-come, first-served basis. Confirmation will be sent upon receipt of payment. If we accept you and your

child, and you withdraw later, we will refund all but \$50. There are no refunds for days missed. We reserve the right to cancel should class minimum of six not be met.
