The carefree summer days of childhood are alive and well at Acorn Hill. The centerpiece of our morning is play – free, creative and unstructured play, indoors and outdoors – the true work, joy and developmental training ground of young children.

Outdoors, children will experience the beauty of our wooded playground atop a hill adjacent to Sligo Creek Park. Sandcastles complete with moats and water, water play and mister, and bubbles, iridescent in their airy journeys, are among the children’s playthings. Indoors, our teachers provide a rhythm of activities designed to bring balance to a child’s day, and a wealth of natural materials to give wings to the imagination. Our week includes lively stories and puppet shows, singing and circle games, crafts, painting, gardening, baking or cooking, and a weekly walk to Sligo Creek.

Our summer program is taught by experienced Waldorf early childhood educators. Children stay for lunch and bring a packed lunch from home. Full Day includes a 45 minute nap period. Indoor spaces are air-conditioned. Toilet training required.
