

Birth to Two

Parenting Programs at Acorn Hill
for children ages 0-2

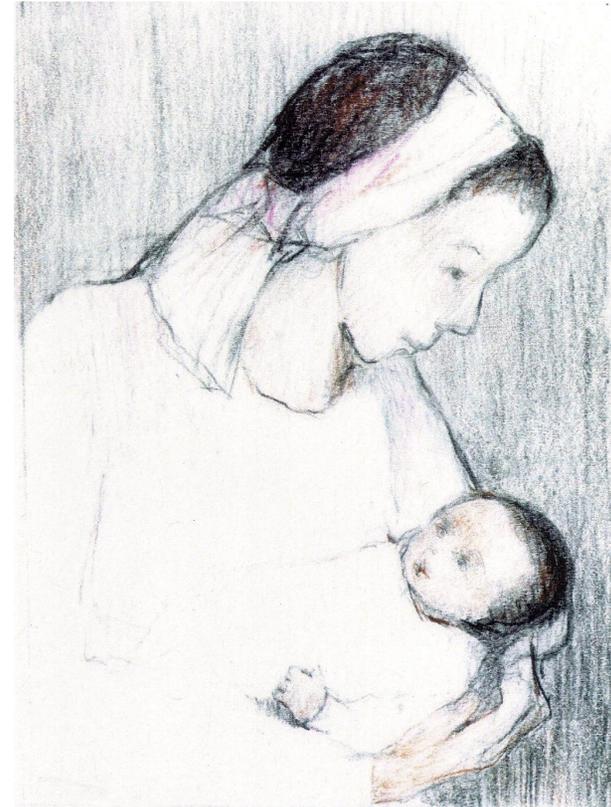

Parenting an infant or toddler can be exciting and joyful, and it can be exhausting and emotionally challenging. Our classes offer gentle support and guidance, and foster a community of diverse families. As parents observe during free movement and play, they gain a deeper insight and connection to their little ones. They experience the joy of being with their children as they “learn how to learn.”

Our Birth to Two classes are based on principles of Waldorf Early Childhood Education, and the Pikler® and RIE® approaches to infants and toddlers.
