Tuition Assistance Program and Application School Year 2022-23

PURPOSE

Acorn Hill offers a program for tuition assistance to help families from all backgrounds meet the expenses of private education.

Acorn Hill School, Inc. is nonsectarian and does not discriminate on the basis of race, gender, sexual orientation, religion and national or ethnic origin in its administrative or admissions policies. Acorn Hill strives for cultural and socioeconomic diversity in its student body that directly reflects that of the broader community to which it belongs.

ELIGIBILITY

Tuition assistance is available on the basis of need. A general guideline for eligibility is that a family shouldn't devote 10% to 15% of their gross annual income to the education of their children. Acorn Hill follows a careful process and all applications are reviewed on an individual basis. Accordingly, special circumstances that can profoundly affect a family's financial resources are considered in an appropriate manner.

APPLICATION PROCEDURE

Your application for tuition assistance may be submitted concurrently with your admissions application (new students) or with your re-enrollment contract and fee (returning students).

Application for tuition assistance is made by **submitting the following required material by February 1** for assistance the following school year.

- a) A completed Acorn Hill Tuition Assistance Application form.
- b) 2021 completed and signed IRS tax return form 1040 **pages 1 and 2, and Schedule C**, if you filed one. If your completed 2021 tax form is not available at that time, please submit a copy of your final 2021 pay stub (or W-2), 1099-M or 1099-I and any other pertinent information for interim review. Your completed 2021 return must be submitted by **April 20** for your grant to be finalized. (See Application Review and Awards Notification sections below)
- c) Your final 2021 pay stub from each working parent (unless self-employed).
- d) Your most recent 2022 pay stub from each working parent (unless self-employed).

Applicants are to use the application form to fully describe any special circumstances that should be considered in the review of their application. Written statements requiring additional space may attach separate pages. Late applications will be considered based upon the availability of funds budgeted for tuition assistance. Incomplete applications cannot be processed.

Tuition Assistance Program and Application School Year 2022-23

APPLICATION REVIEW

The Tuition Assistance Committee ensures all requisite documentation has been provided and will call to let you know if information is missing, or for clarification. Incomplete applications cannot be processed.

The committee evaluates the means and needs of families requesting tuition assistance and provides assistance accordingly. The committee bases its assessments on the financial information provided in the application and any other information the Tuition Assistance Committee determines to be necessary and gathers by interview or otherwise. Tuition assistance is awarded based on assessed financial need, the child or children attending Acorn Hill and their respective programs, and the total tuition assistance budget for the up-coming year.

If final tax returns were not submitted with the application, an interim review and a provisional award will be made. If the completed return is received by **April 20**, a final review will be made, and the award finalized. The final award may differ from the provisional award based on the completed tax return.

If you fail to submit your completed tax return required to finalize your grant by the **April 20** deadline, your application will be suspended and your provisional grant will be forfeited. You may reinstate your application at any time by submitting your final tax return but your application will be treated as a late submission and the application process will begin anew.

AWARDS

There is a limited amount of financial assistance to be granted. The Tuition Assistance Committee strives to award these funds with overall needs of the community in mind. Awards of tuition assistance generally range between 5% and 50% of a family's total tuition cost. All grants are made at the sole discretion of Acorn Hill's Tuition Assistance Committee and the Board of Directors.

Awards are made for a period of up to one academic year and are subject to adjustments for changes to your enrollment in Acorn Hill programs. Awards are credited monthly on your tuition statement. Those seeking assistance for more than one academic year must reapply. Receipt of tuition assistance does not guarantee that assistance will be available in the following year. A family may apply for tuition assistance each year they participate in the educational programs of Acorn Hill.

Tuition assistance will not be available or applied until any outstanding balance with the school has been paid, or arrangements for payment have been made.

Tuition Assistance Program and Application School Year 2022-23

AWARD ACCEPTANCE

You will be notified of your tuition assistance amount along with your acceptance letter in early March.

For returning families: To complete the enrollment and tuition assistance process, Acorn Hill requires your first monthly tuition payment less the monthly grant amount by May 1. The billing you receive in late April will reflect the net amount due. Your payment will ensure enrollment for your child and acceptance of the award.

For new families: Your first tuition installment is due with your contract by April 1 before financial assistance can be awarded. Therefore, any financial assistance awarded will be applied retroactively with the May 1 installment.

Since we want to accommodate children on the waitlist or families with late assistance applications, we encourage you to make your May payment on a timely basis or contact us if you will not be enrolling. After May 10th, your financial assistance may be offered to the next person on the waitlist.

LATE SUBMISSIONS

Any applications, including all required documentation, received after the due date(s) will be handled on a first come, first serve basis.

EMERGENCY ASSISTANCE or OTHER CHANGES IN FINANCIAL POSITION

Requests for emergency tuition assistance are welcome at any time. If additional assistance is needed, please send a letter of request to the Tuition Assistance Committee. If new assistance is needed, please submit an application including details of your circumstances to the Tuition Assistance Committee, following the procedures outlined in this handbook.

CONFIDENTIALITY

Tuition assistance is confidential. The Tuition Assistance Committee and its applicant families must hold all information about tuition assistance in strict confidence.
