

MICA HILL & SANDY BEACH

LADYBUG PARK

Sligo Creek

Sligo Creek Parkway

MEADOW

On Walk Day, teachers and children leave Acorn Hill to visit one of several places: the **Grove** behind our parking lot, **Rainbow Park** adjacent to our school, the **Meadow** which is alongside the old Park & Planning driveway, or **areas along Sligo Creek**. To get to Sligo Creek, either we walk along the Parks & Planning driveway and cross Brunett Ave to the sidewalk, or alternatively, we walk through the Grove and cross Brunett Ave to the sidewalk. We then cross Sligo Creek Parkway and walk along the creek. We proceed on the footpath towards an area called Mica Hill or onto **Ladybug Park**. We walk down the bank to a sandy beach. Children then play along the creek side. If children have on water shoes, they may be allowed to walk in the creek. We return home along the same route, reversing our steps.

I agree/give permission for my child to go on the hikes depicted on this map.
